

Over the Rainbow Butterfly Garden Driver Declination Form

During my employment with Over the Rainbow Butterfly Garden (OTRBG), I will not be driving any of my clients/members in my personal vehicle or any other vehicle while providing services. I understand that I am not certified by OTRBG to drive a client/member and if I do drive a client/member I will be terminated from employment.

If in the future, I decide to drive a client/member while providing services through OTRBG, I understand that I first need to be certified to do so with OTRBG.

Check box if applicable:

- ☐ I am providing Habilitation Services that require my client/member to be outside in the community. We will use public transportation in order to travel during our community outings.
